

Maruki Community Orchestra

To our members,

Thank you to everyone for your kind thoughts and assistance in getting our message out to members regarding rehearsals and policies. It is because of your support that we were able to achieve so much in such a short time.

Unfortunately, we will now be closed until further notice in compliance with current federal and state regulations.

What this means:

- All rehearsals and concerts are suspended until further notice.
- All memberships are now suspended and will come back online when our quarantine and isolations are lifted. This means that your membership will be credited by the amount of time we will have been away from rehearsals.

What we can do:

- The committee will continue to monitor the situation regarding government requirements, government advice and community standards. We will safely return back to business when we have been advised by the appropriate authorities.
- Provide relevant and up to date information to all members via email, the Maruki website and Facebook.
- Answer any questions and action ideas to help us prepare for a return to normal operations of the orchestra. Please address your questions to: committee@marukicomunityorchestra.org.au
- Suggest ideas for music preparation, videos and listening sites for your various instruments via the [Maruki website](#) or [Face Book](#).

What you can do:

- Keep yourself isolated as instructed.
- Keep informed via www.health.gov.au
- Remember that this virus can spread quickly when you are in contact with other people so to stay safe, keep isolated.
- Keep in touch with Maruki members. We are an online community now. You can practice and keep in contact with other members via the internet.
- Keep practicing.

You will hear from the Committee again on the 9th of April 2020 via email and on the [Maruki Website Dropbox](#).

We wish members good health during the isolation period.

The Committee,
Maruki Community Orchestra
